Dear Parents

After the announcement from the first minister on Tuesday about the proposed return of pupils in nursery and P1-3 we are now making provisional plans for their return to school. The decision regarding composite classes (P1-4) is still in discussion at Scottish Government and Education Recovery Group level. Further information will be issued in due course.

Thank you for your continuing efforts with the remote learning. I understand it can be a juggling act with work, study at home and everything else that is going on and that its tough on everyone just now. Keep doing your best! Remember to email the teachers or school of you have any questions. We can all do this!

Daily Login and Check-in for All Pupils:

Thank you for the uptake of daily check-ins and submitting work either through Teams assignments or via email. The live sessions have been going well too- it's been really lovely to see everyone on there.

Contact details:

Please remember to let the school know if you change address or telephone number so we can update the school records.

New Staff:

We have had additional PSA hours allocated to the school until June 2021. Mrs English and Mrs McIntosh have increased their hours slightly and we have a new PSA, Mrs Stirton, who will be with us on a Wednesday and a Friday.

Thank you to those who have completed the 'forms' questionnaire on remote learning. For those who have not managed yet, I would really appreciate your feedback to help the staff with how things have been going and how we can help going forward.

Stay safe and take care,

Miss Crawford
