

Rhynie and Gartly October Newsletter

TERM1 UPDATE

Hello everyone! And welcome to Rhynie and Gartly Nursery's October Newsletter. We are on to our last weeks of Nursery in this term before we break off for the October holidays. The children have made great progress since they have returned to Nursery and have made strong attachments to one another and staff.

Extended hours

I have now received everyone's requested sessions, I am please to say that you were all allocated the days you requested, and they will start on Monday 26th October 2020

The new times are Monday to Friday

Drop off: 9.15am

Pick up: 2pm

Please adhere to these times to ensure the playground is clear for school pick up and drop offs.

Lunch will be severed at 11.45, I have attached a copy of the menu for your information.

Dates for your Diary

October holidays will begin 12th October.

The children's last day in nursery will be the 9th and will return on the 26th October. There is an in-service day in November where the children will not attend Nursery. This is on the 20th November

SEESAW

You may have noticed on Seesaw, we have been adding to our Learning journey wall. We have been encouraging independence - getting ready for outdoors/indoors and responsibilities - tidy up after ourselves and keeping each other safe in nursery. This will continue after the holidays and you will see this expand further on Seesaw and in the children's profiles.

ONLINE LEARNING JOURNALS

Everyone should have by now received their children's online profile, if you have any issues please don't hesitate to get in touch. Please fill out the online questionnaire that went out along with the profiles for feedback

OUTDOORS

As Autumn approaches, some children have noticed the changes in weather and environment. We will be continuing their interest once we are back from the October holidays. We are now able to go out to the community and explore further

Can I remind everyone to bring in suitable clothing for their children - we know how much the children love the puddles!

And because of the wet weather, can you also make sure your child brings indoor shoes to wear in the Nursery.

Water bottles

All children are welcome to bring in a water bottle, please ensure it is clearly marked with your child name. Please note that the bottle should only contain water- not Juice or Milk

Covid 19 Restrictions

We are still following Covid 19 government guidelines so can I remind all parents they must not pass the green Nursery gates and enter the Nursery/school, this is to ensure the safety of the children and staff.

We all hope you have a nice and restful October break, and we look forward to welcoming the children back and hearing their 'holiday news' in term 2.

Kind regards The Rhynie and Gartly Nursery Team 😊
